IFAGG International Judges' Course results

You have participated in IFAGG online re-exam for the level 3 IFAGG International Judge on the 3rd of March 2024.

We are pleased to announce that you have passed the re-exam for level 3 IFAGG International Judge.

Please note that a judge must evaluate at least one competition (min. category B) during one-year time period after passing the judge exam. Otherwise, the judging license will not be valid. If there are no evaluations during this one-year time period (starting from the previous approved judges license exam), the judge must participate at a new judge course and complete a new exam.

Yours sincerely,

Joanna Lervik
